

## **GESU Anti-racism Team**

Our anti-racism team at Gesu has the film series: Racism: The Power of an Illusion and would like to make it available to other parishes in the vicariate.

### Program Description

RACE—The Power of an Illusion is a provocative three-hour series that questions the very idea of race as biology. Scientists tell us that believing in biological races is no more

sound than believing the sun revolves around the earth. So if race is a biological myth, where did the idea come from? And why should it matter today? RACE—The Power of an Illusion provides an eye-opening discussion tool to help people examine their beliefs

about race, privilege, policy, and justice.

The Anti-racism Team at Gesu offers to provide the films and any consultation or support a parish might desire in order to provide the series to its community.
